This program is being offered at a 90% discount during the Fall 2020 and Spring 2021 semesters for those that qualify.

Materials and books are included.

Total cost = $500.00
Savings of over $4,700.00

Financial Aid is available to those that qualify

**Degree Pathway:**
This certificate program leads to an Associate Degree in Laboratory Science

---

**Program at a Glance**

The Medical Lab Assistant Technology (MLAT) Certificate of Proficiency Program prepares individuals to work as healthcare detectives using state-of-the-art biomedical instrumentation and manual methods to provide laboratory results to clinicians. DSU created this program in partnership with community medical laboratories including SoftCell to address a need for medical lab assistants in healthcare.

Individuals completing this program will be qualified for employment as a medical laboratory assistant.

Individuals interested in participating in the MLAT Program must have completed MATH 1010 or equivalency.

Space is limited to 8 students.

* Courses will be taught in an evening format beginning at 4:30 pm or later. (the required labs will be offered at other times)

---

**Required Courses**

**Biology**
1610/1615—Principles of Biology I & lab
2060/2065—Principles of Microbiology & lab
2890—Laboratory Internship
(available as BIOL or MLS)

**Chemistry**
1110/1115—Elem General Organic Chemistry & lab
1120/1125—Elem Organic Bio Chemistry & lab

**Medical Laboratory Science**
1113—Foundations of Medical Laboratory Science
